PLUS GLUE TAPE

Apply a thin strip of glue with ease and accuracy.

- Clean and precise lines of adhesive instead of messy liquid glues or glue sticks.
- The roller tip applies tape to the surface effectively and minimizes sideways movement.
- Ergonomic design for comfortable every-day use.
- Retractable cap for neat and convenient storage.
- Photo Safe glue with reduced acids to prevent photo discoloration. Ideal for scrap books.
- Permanent and Repositionable adhesive types to suit your application.
(Permanent: TG-610, TG-510, TG-210. Repositionable: TG-211)

The tape is lightly colored so the you can see where it has been applied.
